Dear Vince:

Many thanks for your letter of August 2nd and the two copies of the Friedman dissertation by Lambros. I greatly enjoyed it and wish you would pass my compliments along to him. Also thanks for sending the 200 copies to the Library - they will be nice to hand out to interested visitors.

My agents report that your visit to the Library was a great success, and I am most appreciative of the continuing interest and support of both Lambros and you.

I am off next week for two weeks of trout fishing in Wyoming - it will be great to get away from reading and hearing about the terrible trauma at the seat of government.

Hope all goes well with you and yours.

Faithfully yours,

MARSHALL S. CARTER
